TOTEM

Totem, an innovative creation, combines wood and concrete to form a versatile series of objects that harmoniously converge into a singular minimal structure. Comprising two stackable stools and a tray atop a concrete base, Totem showcases a fusion of natural white oak and raw concrete, achieving a delicate equilibrium of weight and form.

CLEANING INSTRUCTIONS

Solid Wood

Use a soft dust cloth wrung out in clean water and gently go over marks until clean. After cleaning, the wood should be dried with a soft cloth to prevent streaks and scratches.

PLEASE NOTE: All of our wood products have a water based clearcoat for further protection.

Glass Fiber Reinforced Concrete

Use a lightly damp soft dust cloth and gently go over marks until clean. Dry it afterwards with a dry soft dust cloth. If the concrete is in direct contact with water, please dry immediately to avoid stains.
